

Drama Kit 5 Specification

Order code: KIT-DRAMA5

Drama Kit 5 is our Highest Spec Kit, The 4 Lanterns offer a full range of possible effects. Fresnels produce a soft edged beam of light and allow you to change the size of your beam from a small spot to a wide flood, the Barndoors allow you to shape the beam where necessary, creating your stage wash. Profile lanterns provide you with added flexibility they work like spotlights with a harder edge so are perfect for lighting single areas or you can fit gobos to project images to give a sense of location.

The Kit contains everything you need to get you started, right down to the cable straps to keep everything neat and tidy.
